Job Description

*****Please read carefully*****

Hello,

My name is Joshua Belanger from JoshBelanger.com.

We are looking for your expertise with our project.

The project involves creating real looking photo images of our product and packaging for E-commerce.

The image created must look as real like a picture taken of it.

With online E-commence, photos must be crisp and clean to have your product really stand out.

Job Description

We are on a tight deadline, so we need a very experienced designer for fast turnaround.

If you can meet the fast deadline, please put "Turn Around" at the beginning of your application so that I know you have read all the instructions and understand.

If you have any questions, feel free to ask.

Thank you and good luck,
Joshua Belanger
